

# SPATULAS

Stainless Steel with Rosewood Handles

## ADVANTAGES

- Stainless steel blades
- Contoured rosewood handles
- Steel lip for opening cans
- Handles slotted for hanging
- Blade lengths from 4" to 14"
- Six spatulas per box
- Available in sets; one of each size

AWT's all-purpose spatulas feature stainless steel, semi-flexible blades and are manufactured with contoured rosewood handles and sturdy brass rivets. These premium-quality spatulas feature a sturdy steel lip on the handle for opening jars and cans, and the handle is slotted for hanging.

The semi-flexible stainless steel blade is ideal for stirring and mixing colors. Spatulas can also be used to remove excess ink from squeegees and screens and are handy for clean-up and maintenance. AWT spatulas are available in boxes of six, with blade lengths from 4 to 14 inches.
